Polar Animals in Swindon Draw the Crowd

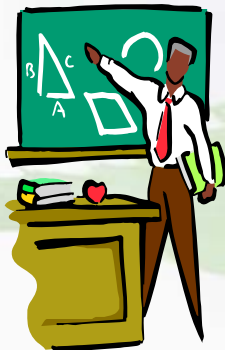

119 people signed a giant postcard to their MP asking for the Climate Change Bill to be strengthened on Saturday 17th November in Swindon Town Centre. Two Swindon Friends of the Earth and SCAN volunteers dressed up as a polar bear and a penguin and wooed the shoppers to sign up. The event was a great success and Anne Snelgrove MP came down personally to read the signatures from her constituents.

Meanwhile the Bill has had its Second Reading in the House of Lords where there were many voices from all parties calling for stronger action. Pressure on the MPs remains important so do write to yours or join the online campaign at www.thebigask.com/
